Dear Ms. Kemp:

Re: Request for Third-Party Advertiser Status
Landlab Inc.

I am writing to request that Landlab Inc. be registered as a third-party advertiser pursuant to section 88.6 of the Municipal Elections Act, 1996 as amended ("Act") in the upcoming Alnwick/Haldimand Township municipal election. I want to be clear that this is a step our firm is reluctant to take, however, we see no alternative given recent developments in the lead up to the Alnwick/Haldimand municipal election.

We value transparency and honesty in the electoral system. We believe that these values are particularly critical at the level of local municipal government, where some of the most important decisions are made that can affect the day-to-day life of all residents and businesses. As such we need to reserve the right to set the record straight when a candidate makes misleading comments about our firm or our work. On the advice of our solicitor, we are hereby registering with you to become a third party advertiser as defined by the Act. Accordingly I am filing as required the attached completed Form 7 (Notice of Registration – Third Party).

I assure you that we will abide by all applicable rules and regulations under the Act and that, in contrast to some of the communications from

an existing candidate, we remain committed to having fact based discussions with residents of Alnwick/Haldimand.

With that, please accept this my letter and attached completed Form 7 as our official request that Landlab Inc. and our staff be granted third party advertiser status for the duration of the Township of Alnwick/Haldimand municipal election. We look forward to receiving your confirmation of Certification to our Third Party request.

Sincerely,

President
